A black and white photograph of a modern, curved chair with a ribbed backrest, set against a black background. The chair is the central focus, with its curved backrest and armrests visible. The lighting highlights the texture of the fabric and the smooth curves of the chair. The text 'Montbel collection' is overlaid in the upper right quadrant in a white, sans-serif font.

Montbel collection

Dalla tradizione al design.

From tradition to design.

— Da mezzo secolo Montbel riscrive il design e la funzionalità di un oggetto quotidiano, ma non comune: la sedia.

Fondata nel 1959 da Silvano Montina l'azienda è cresciuta con il passare degli anni trasformandosi in una delle realtà più importanti del distretto industriale della sedia. La cura del prodotto, il consolidamento di una clientela nazionale ed internazionale e la continuità generazionale all'interno della famiglia hanno contribuito alla nascita, negli anni '90, di una collezione firmata con il proprio marchio. Oggi come allora le creazioni Montbel sanno unire l'ottimo design all'alto comfort e alla massima resistenza. Il tutto per soddisfare il cliente, sia nel settore residenziale che in quello contract. Montbel propone la sua anima italiana esportandola con successo in tutto il mondo. L'immagine affermata è dunque quella di un'azienda che, sposando tecnica ed estetica, contribuisce a rendere più belle, razionali ed accoglienti le aree dell'abitare, dei luoghi di lavoro, dell'ospitalità. Con eccellenza.

— Montbel the company that for half a century has been re-writing the design and meaning of an everyday but not common object: the chair. Montbel was founded in 1959 by Mr. Silvano Montina, over the years has grown to become part of the most important reality in the industrial district of the chair. The care given to the completion of the product, the consolidation of its national and international clientele, the latest generation of the family are only some of the aspects which, in the 90's allowed Montbel to continue the Company's transformation: the creation of a collection trading with its own brand name. Today, as in the past, Montbel's creations know how to combine great design to the high comfort and maximum resistance. All to satisfy the most demanding customers. Montbel continues to offer new products to the international market. Its Italian soul rises through the selection of the high quality materials used and the attention paid to each phase of the production. This is exported with success all over the world. Portraying a solid image of a company which combines Aesthetics and ethics as well as contributing with excellence to make the areas we live in, the work place and hospitality environments more balanced, attractive and cosy.

Montbel portrait. Brand Identity.

— L'intreccio di atmosfere ed ispirazioni collega mondi diversi in un'unica passione. La poesia dei colori, la matericità di un tessuto, la profondità di uno sguardo. Così come i volti dello star system, i nostri prodotti diventano protagonisti di un linguaggio comune, ricco di una personalità forte e distintiva.

— Through the intertwining of atmospheres and inspirations, different worlds are linked into a single passion.

The poetry of the colours, the authenticity of a fabric, the depth of a gaze. Just like the faces of the star system, our products become the leading actors of a shared language, with a strong and distinctive personality.
